Most former Midland Red bus services in this area have been transferred to the West Midlands Passenger Transport Executive. Maps showing all routes are available from enquiry offices. In some areas, revised services will gradually be introduced to give a more efficient service to the public, but full information will be given before changes occur.

Meanwhile, most services and timings remain unchanged and it will be some time before most buses on ex-Midland Red routes are in the West Midlands blue and cream colours.

The Executive will make every effort to maintain these Services, and will accept no liability for loss, damage, injury or delay sustained by any passenger by reason of unpunctuality or failure to maintain Services.
